Performance

'Most Exuberant Theatrical Company' Where daring professional and amateurs come together for good.

MISSION:

Sing for America Presents was first established in 2011 and incorporated as a 501c(3) in 2016. SFAP produces semi-professional Broadway-style musicals using actors of varied backgrounds, ages, and levels of experience, elevating each cast member to his highest potential. Powerful musicals, plays, original pieces, concerts, arts education and training are offered year-round and made available to all people. SFAP provides universally Enjoyable entertainment at affordable pricing. Our initial and continued mission is to raise money for our local hero's family serving in the Nations Military

NARNIA:

Our community needs Hope, we need Faith and Love, and that's why we chose Narnia, an adventure we can take together with our neighbors and family. The show will be staged at the Westgate Mall in Bethlehem, allowing SFA time to create the magic as Lehigh Valley theatres are crammed with bookings.

Individual show donations from lumber to ad time are down, and many people are facing struggles or are in times of crisis. We all need this show and It will take a big effort to create the spectacular. Narnia will be a hallmark of this Christmas season, and we need you there! Get tickets today.
